EDUCATION

Sri Eshwar College of Engineering	B.Tech (CSBS)	7.67 CGPA (till 5th semester)	2023 – 2027
Ashram Matric Hr. Sec. School	HSC	78%	2022 – 2023
Ashram Matric Hr. Sec. School	SSLC	PASS	2020 – 2021

INTERNSHIPS

MODERN FULL STACK WEB DEVELOPMENT INTERNSHIP – [ALGOTUTOR] 2025

Worked on developing a movie blog web application using Next.js with App Router and dynamic routing, implementing role-based user and admin authentication using NextAuth.js. Gained practical experience in full stack web development, authentication workflows, server and client component handling, and building responsive, scalable, and user-friendly applications.

PROJECTS

DORMSYNC – HOSTEL MANAGEMENT SYSTEM 2025

Developed a full-stack hostel management web application with separate student and admin modules for managing complaints, visitor requests, and hostel notifications. Implemented secure JWT-based authentication and role-based access control, integrated MongoDB Atlas for real-time data storage, and designed responsive dashboards for complaint tracking and visitor approval management. Deployed the application using Vercel and Render with complete frontend-backend integration.

Tech Stack: Next.js (React), Node.js, Express.js, MongoDB Atlas, JWT Authentication, CSS, Axios.

VIBEMATCH – SOCIAL MUSIC COMPATIBILITY PLATFORM 2025

Developed a full-stack music platform enabling users to upload songs, manage playlists, compare music compatibility, track trending songs, and favorite tracks with secure authentication and cloud database integration. Implemented dynamic music search, play count tracking, album cover uploads, and responsive multi-page UI with cloud deployment.

Tech Stack: Python, Flask, MongoDB Atlas, HTML, CSS, JavaScript.

ACHIEVEMENTS

FRESHATHON-PROJECT EXPO – Secured 2nd place (Sri Eshwar College of Engineering) 2024

CODEFIESTA – 5th place (Sri Eshwar College of Engineering) 2024

LEETCODE – Solved 100+ problems | [Profile](#)

CERTIFICATIONS

The Joy of Computing using Python | [Nptel](#) 2024

Mastering Data Structures & Algorithms using C and C++ | [Udemy](#) 2024

Master Python For Competitive Coding | [AlgoZenith](#) 2025

Business Analysis & Process Management | [Coursera](#) 2025

Cloud Computing Fundamentals | [IBM](#) 2026

SKILLS

Languages	: Java Python C++
Databases	: SQL (MySQL) NoSQL (MongoDB)
Cloud & Services	: AWS (EC2, S3, IAM, VPC, DynamoDB)
Core Concepts	: Data Structures & Algorithms Object-Oriented Programming (OOP)
Tools	: VScode ,Git ,Github ,Canva.
